Under clause 16 of the Bombay Cotton Cloth Trade Regulation Order, 1945, it will be open to the licensing authority to issue any general or special directions of a regulatory nature to a dealer with regard to the storage, sale and transport of cloth. Any directions in regard to the manner in which cloth should be stored would be competent under this clause but this clause cannot be utilized for prohibiting the dealer altogether from selling or contracting to sell cloth. (See also ~~MSR~~ clause 23). No directions can therefore be issued under clause 16 for the purpose of freezing cloth.
